The theme for the month of
November in Muire gan Smál
was
November– We Remember

Those who wished to do so
wrote the name or drew a
picture of their loved one
and hung it on the
Rememberance Tree.

We would like to wish all our pupils and their
families a peaceful and joyful Christmas.

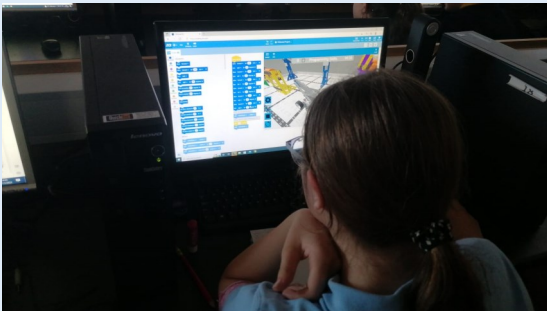

From the staff and Board of Management of Scoil Mhuire
gan Smál.

What's been happening...

A huge Thank You to all who prepared and packed treats for children in other countries as part of Team Hope's Christmas Shoebox Appeal. We hope the gifts bring great joy.

5th Class Vex Robotics Competition

5th Class are continuing with their preparations for the Vex Robotics Competition on Jan. 13th.

They have completed the building of the robot and the coding necessary for its operation.

Batty about Bats!

6th Class travelled to the town library for a talk on Bats.

They learned about their habitats, diet, different species as well as having many myths about bats dispelled.

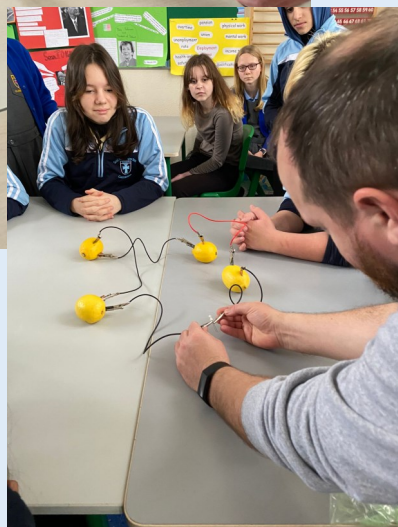

Credit Union Art Competition Winners

Well done to all those who took part in the Credit Union Art Competition 2022. Congratulations to our talented winners!

4th , 5th and 6th Classes took part in a SEAI workshop with Rob from Green Schools Energy.

They learned how to power a LED light with a lemon, the transfer of energy, how to create an explosion using gas energy and how some energy can be lost through vibration.

Sensory Room Stage 2

We have now completed Stage 2 of our Sensory Room- the painting. We followed the advice of the OT from Sensational Kids and painted three walls a calming blue. The fourth wall is an off-white so that we can project colour onto it. If anyone knows of any business that would be willing to sponsor some equipment to this very worthwhile cause we would be most grateful.
